

# MPOWERBIO

## Help your SME Members Capture Investment

Increase your success rate in helping your SME members gain access to investment. Join the MPOWERBIO Capacity Building Programme, which is designed to support clusters in assessing the challenges of gaining access to investment and to be able to deliver better advice and services for your SME members.

The Capacity Building Programme is free of charge and will be made available online so you can either follow the programme at your own pace or take advantage of regional workshops and online events which will be arranged.

### Pick and choose between 10 courses !

- Overview of MPOWERBIO SME assessment tools
- Transversal Competencies and Skills
